and Civil Defence, Ministry of Home Affairs, New Delhi.**

**Member Secretary : Sh. Om Parkash, Fire Adviser, Directorate General
Civil Defence, Ministry of Home Affairs.**

**Member/Delegates : List of members/delegates to 33rd meeting of SFAC
is at Annexure – I**

PROCEEDING OF THE MEETING

ITEMS ON THE AGENDA AND THE DECISIONS TAKEN ARE MENTIONED BELOW

:

SL. NO	AGENDA POINTS	REMARKS
	POLICY /LEGAL ISSUES	
1	<p>Uniformity of Fire Service Uniform and Shoulder Badges throughout India</p> <p><u>Assam</u></p> <p>The State Fire Service personnel of all the States of India should have a common type of uniform and shoulder badges etc. distinct from other services like police and army.</p> <p>The distinct identity of the fire service personnel will not only result in better command and control but also easy identification by others including better public support during manmade and natural disaster.</p>	<p>It has been decided to constitute a Sub-committee with the task to review the existing recommendations in connection with Uniform rank structure, ranks and badges, colour and scale of the uniform. In addition Sub-committee will also look into the scale/type of Personal Protective Equipments befitting to the latest requirement of Fire & Emergency Services. A Subcommittee has been constituted comprising of Sh. A.K. Sharma, Director, Delhi Fire Service (Convenor), Sh. M.V. Deshmukh, Director, Fire & Emergency Services, Government of Maharashtra, Sh. Subhas Kumar, General Manager, Airport Authority of India, Sh. D.K. Bora, ADGP & Director, Fire Services, Assam and Sh. D.K. Shami, Dy. Fire Adviser, DG NDRF & CD, MHA (Member Secretary) will finally recommend the scale.</p> <p align="right">Action : Sub-Committee</p>

2	<p>Identify Fire & Emergency Deptt. as Nodal Department for Disaster Management</p> <p>Uttarakhand</p> <p>The Fire & Emergency Services should be made the nodal department for disaster management.</p>	<p>Government of India has already rechristened Fire Service as Fire & Emergency Services. It is upto the State Government to take decision on this.</p> <p style="text-align: right;">Action : States</p>
3	<p>Review of minimum required Academic Qualification of Fire Service Personnel.</p> <p>Assam</p> <p>It was discussed in the 32nd meeting regarding declaration of Fire Service as Engineering Department. The fire service personnel are required to be well conversant in subject like Civil, Electrical, Mechanical and Automobiles engineering physics/ chemistry/ mathematics etc. Therefore, it is suggested that the minimum required academic qualification be upgraded to a certain level of the Science stream so that they can easily cope up with the training syllabus and practical field duties in future.</p>	<p>It was informed to the Members that a Sub-committee of SFAC headed by Dr. G.C. Misra, Delhi Fire Service has already been set up. The Committee will expedite its report latest by 15th September, 2011. It has been decided that Sh. D.K. Shami, Deputy Fire Adviser, DG NDRF & CD will act as Member Secretary of the Committee and the 1st meeting will be held in the office of DGCD shortly.</p> <p style="text-align: right;">Action : Sub-Committee</p>
4	<p>Provisioning of Fire & Rescue equipments for Public Sector Undertakings</p> <p>CISF</p> <p>In order to strengthen all the fire services engaged in PSUs, Necessary directions be issued to the PSU/Corporate Office through respective ministry to provide necessary rescue gadgets/equipments to the undertaking fire services</p>	<p>Members discussed the high hazards prevailing in the Public Sector Industries and decided that DGCD, MHA will issue advisories to the Public Sector Industries to provide adequate equipment and appliances required for Fire Fighting, Search & Rescue and Medical First Responders by the Fire & Emergency Services of the Industry.</p> <p style="text-align: right;">Action : DGCD(Fire)/All PSUs</p>

5	<p>Award of Scroll and Free railway pass</p> <p>CISF</p> <p>Bihar</p> <p>The President's Fire Service Medal for Meritorious Service is being awarded to the fire Service personnel without scroll (certificate) and Free railway pass etc. to Gallantry awardees.</p>	<p>Members stressed the need to issue Scroll and Free Railway Pass at par with the other awardees. It has been decided that the proposal in this regard will again be sent to the Ministry for taking policy decision in this regard.</p> <p>Action : DGCD(Fire)</p>
6	<p>Need for Statutory recognition to Standing Fire Advisory Council</p> <p>Goa</p> <p>Agriculture and Education are State Subjects in the Indian Constitution. But that has not barred the Government of India from creating the Indian Council of Agricultural Research and creating numerous Central Organisations under it to meet the Country's growing needs. The All India Council of Technical Education, the Indian Medical Council, National Safety Council are other prominent examples.</p> <p>To revamp the State Fire Services in the country it has now become necessary to given the statutory status to Standing Fire Advisory Council.</p>	<p>It was informed to the Members that DGCD, MHA is considering the formulation of Central Fire & Emergency Act. After the central act comes into force the SFAC will automatically be recognised as statutory body.</p> <p>Action : DGCD(Fire)</p>
7	<p>Provincialization of Fire Department under command & control of State DGCD</p> <p>Rajasthan</p> <p>Fire Services should be provincialized in the State under the command and control of Director General Civil Defence.</p>	<p>It was informed to the Members that the Govt. of India agreed in principle that the Provincialized fire services should work directly under Government. (Expert Committee Recommendation)</p> <p>Action : States</p>
	<p>ORGANIZATIONAL ISSUES</p>	
8	<p>Organization Structure and Pay Scales</p>	<p>It was informed to the Members that SFAC has</p>

	<p>of State Fire Service</p> <p>Orissa</p> <p>For better administration and smooth public service the structure of the State Fire Organization needs to be strengthened. For details please see Annexure - I to the Agenda Points.</p>	<p>already made detailed recommendations in this regards. The matter of pay structure do not fall under the purview of SFAC.</p> <p style="text-align: right;">Action : States</p>
9	<p>Fire & Emergency Service Set up in the cities with more than 1 million Population (proposed scale for organisation structure, appliances, equipments, fire station building, communication system, training set up, control room, watch room set up, public awareness activities, Fire Service Act & Rule, Budgetary provision, NOC to various occupancies and Financial resource generation)</p> <p>Orissa</p>	<p>It was informed to the Members that NDMA has called all the Heads of Fire Services who are also the Members of the SFAC to finalize the Scale. DGCD (Fire Cell) prepared the Scale and same was accepted and approved in the NDMA meeting for adoption by the State Govt. It was decided by all the Members that the same scale be adopted. State Government can prepare their proposals for the cities having population of more than one million to avail further grants-in-aid from the 13th Finance Commission.</p> <p style="text-align: right;">Action : States</p>
10	<p>Uniform Pay Structure and various allowances of Union Territory Fire Personnel.</p> <p>Daman & Diu</p> <p>The present pay structure and various allowances of fire service personnel of UTs are not uniform. Review the proposed pay scale (Annexure - III to Agenda points) and suggest the National pay structure for fire service personnel of UTs.</p>	<p>Members discussed the issue and resolved that the UT of Daman & Diu should also be given the pay scales and facilities at par with other Union Territory Fire Services personnel.</p> <p style="text-align: right;">Action : Daman & Diu</p>
11	<p>Provision of Rent Free Accommodation:</p> <p><u>Daman & Diu</u></p> <p>Rent free accommodation should be provided for all members of the service at the Fire Station premises as also discussed in the 23rd Meeting of the council.</p>	<p>It was informed to the Members that the recommendation of SFAC have already been send to State Governments for providing rent free accommodation to all the fire Service personnel.</p> <p style="text-align: right;">Action : States</p>

12	<p>Uniform Rules for Fire Services</p> <p>H.P.</p> <p>There should be uniform pattern of service rules, fire prevention and fire safety Act & Rules all over India.</p>	<p>It was informed to the Members that the GOI has already circulated Model Fire Force Bill and Rules and the National Building Code for adopting the same.</p> <p style="text-align: right;">Action : States</p>
EQUIPMENTS		
13	<p>Specialized equipments for tall buildings and disaster management</p> <p>Nagaland</p> <p>Uttarakhand</p> <p>Procurement of T.T.L. for populated town and standard equipment for disaster management. Life saving techniques/training in floods, landslides, avalanches and earthquakes should be imparted and necessary equipments made available to fire departments.</p>	<p>It was informed to the Members that the State Government should procure and provide the equipments/appliances as per the existing guideline.</p> <p style="text-align: right;">Action : States</p>
14	<p>Use of Eco-friendly techniques to be promoted in fire fighting</p> <p>Uttarakhand</p> <p>Fire Services should use Eco-friendly techniques.</p>	<p>It was informed to the Members that India is signatory to the Montreal Protocol. India has already switched over to Eco-friendly technologies and Eco-friendly fire extinguishants.</p> <p style="text-align: right;">Action : Nil</p>
TRAINING		
15	<p>Opening of Regional Training Centre</p> <p>Nagaland</p> <p>Uttarakhand</p> <p>Regional Fire & Emergency response training centers should be set up to cater the needs of smaller States. Nagaland proposed to open Elementary/Specialized Fire Fighting Training Institute exclusively for the state</p>	<p>It was informed to the Members that the SFAC had already recommended to open Fire Training Centres at State level to cater to the needs of training requirement of Fireman, Leading Fireman and other refresher courses in addition to the area specific specialization.</p> <p style="text-align: right;">Action : States</p>

16	<p>One course in one session</p> <p>NFSC</p> <p>NFSC should conduct one course in one session so that courses can efficiently be managed by the existing faculty in addition to the field training responsibilities.</p>	<p>Members discussed the matter and decided that in view of the ever increasing demands for training the status-qua be maintained.</p> <p style="text-align: right;">Action : NFSC</p>
17	<p>Review of eligibility for the Sub-Officers, Station Officers and Divisional Officers Course.</p> <p>NFSC</p> <p>The draft rules submitted by Director, NFSC for admission may please be finalized.</p>	<p>After detailed discussion it was decided that the Draft received from Director, National Fire Service College, Nagpur will be sent for wider circulation amongst the Members of the SFAC. After the receipt of comments a committee comprising of Sh. Ashok Menon, Director, Fire & Emergency Services (Convenor), Goa, Sh. Shamim, Director, NFSC, Sh. M.F. Dastoor, C.F.O., Ahmadabad, Sh. Vijaysekar, Dy. Director, Tamil Nadu Fire & Emergency Services and Sh. D.K. Shami (Member Secretary) will take final decision in the matter.</p>
18	<p>Eligibility for Sub-Officers course direct entrants may include the candidates with 10th standard pass with 3 years diploma in any engineering discipline recognized by AICTE.</p> <p>NFSC</p> <p>Some bright student from the open market, get into Diploma course of institutes recognized by the Department of Technical education of state government/central government, after completing 10th standard examinations. These candidates may be considered as eligible for admission to the Sub Officers Course as Direct Entrant.</p>	<p style="text-align: right;">Action : NFSC/DGCD</p>

19	<p>Modality for selection of S. O. course Direct entrants</p> <p>NFSC</p> <p>The S.O. course Direct Entrants are at present selected by conducting All India competitive examination for admission. It is proposed to draw a merit list of the candidates based on their percentage of marks scored in the qualifying examination with stipulation of minimum percentage of marks.</p>	
20	<p>Review of Uniform and training Kit, for SO, STO, and DO and other courses at NFSC and in RTCs in the training ground and class room.</p> <p>NFSC</p> <p>To distinguish the trainees it is proposed to review the training kit and Uniform in line with the international standard to the trainees in class room and in ground.</p>	
21	<p>Admission of Private Sponsored candidates in Sub Officers course of NFSC.</p> <p>NFSC</p> <p>A draft proposal prepared by Director, NFSC and enclosed at Annexure - IV to Agenda points may be finalized.</p>	<p>After detailed discussion it was decided that the Draft received from Director, National Fire Service College, Nagpur will be sent for wider circulation amongst the Members of the SFAC. After the receipt of comments a committee comprising of Sh. Ashok Menon, Director, Fire & Emergency Services (Convenor), Goa, Sh. Shamim, Director, NFSC, Sh. M.F. Dastoor, C.F.O., Ahmadabad, Sh. Vijaysekar, Dy. Director, Tamil Nadu Fire & Emergency Services and Sh. D.K. Shami (Member Secretary) will take final decision in the matter.</p> <p style="text-align: right;">Action : NFSC/DGCD</p>

22	<p>Up-gradation of Regional Training Centre, Sila, North Guwahati, Assam to a Multi Hazard Training Institute.</p> <p>Assam</p> <p>The Regional Training Centre, Sila, Assam is the only Institute in the entire North East to cater the basic fire service training including S.O. course. The institution has no facilities to impart training on other disaster mitigation and rescue operations. The training facilities need to be upgraded urgently from Central financial assistance.</p>	<p>Members discussed in detail and felt that there is an urgent need to upgrade the Training Centres of the States. Based on the requirement and gap, 13th Finance Commission has allocated an amount of Rs. 525 Cr. for capacity building for Disaster Management Functionaries. Since, Fire & Emergency Service is the integral part of the Disaster Management Response Mechanism, State Fire Service may approach the concerned officers/departments in the State Government for the release of funds for upgradation of their Training Centres. However, An amount of Rs. 26 lakhs are being provided to the identified State Regional Fire Training Centres to upgrade their training facilities in MFR & USAR training.</p> <p style="text-align: right;">Action : States/DGCD</p>
23	<p>NBC Training</p> <p>Uttarakhand</p> <p>Role of Fire Services in Nuclear, Biological & Chemical (NBC) warfare situations to be classified and necessary training to be imparted.</p>	<p>It was informed to the Members that the NFSC will start all specialized courses once the college is upgraded as per the approved proposal.</p> <p style="text-align: right;">Action : NFSC</p>
24	<p>Vertical interaction course for senior officers</p> <p>H.P.</p> <p>Various Type of Orientation, Administrative and Management short term courses should be conducted in the National Fire Service College, Nagpur for Senior Fire Officers</p>	<p>It was informed to the Members that the NFSC will start all specialized courses once the college is upgraded as per the approved proposal</p> <p style="text-align: right;">Action : NFSC</p>

25	<p>Specialised Fire Course in India and abroad.</p> <p>CISF</p> <p>The vacancies for specialized fire courses in India and abroad are being allotted mainly to State Fire Services and Police Organization etc. This opportunity may also be extended for CISF Fire Service personnel in order to upgrade their professional skills.</p>	<p>It was informed to the Members that the office of DGCD have sent officers from CISF for the training abroad in the past and will consider in future also.</p> <p style="text-align: right;">Action : Nil</p>
26	<p>Up- gradation of NFSC, Nagpur in to a Deemed University or National Institute of Technology.</p> <p>Goa</p> <p>NFSC should be converted as Deemed University or National Institute of Technology for Fire Engineering.</p>	<p>It was informed to the Members that the Expert Committee on the up-gradation of NFSC, Nagpur has already recommended to convert NFSC as Deemed University. The matter will be taken up once the college is upgraded.</p> <p style="text-align: right;">Action : NFSC</p>
	<p><u>MISCELLANEOUS</u></p>	
27	<p>Adopting BIS standards.</p> <p>BIS</p> <p>The Indian standards formulated by fire Fighting Sectional Committee and fire Safety Sectional Committee should be adopted by Fire & Emergency Department throughout the country.</p>	<p>Members may implement the same.</p> <p style="text-align: right;">Action : States</p>

28	<p>Minimum requirement of manpower for the Fire Stations</p> <p>H.P.</p> <p>Fire Service is the first responder for all type of fire and disaster. It is desired that the minimum riding strength is maintained by all the Fire Services for effective operation.</p> <p>In hill States, double manpower is required for fire fighting/rescue as compared to plain areas due to indifferent geographical conditions.</p>	<p>It was informed to Members that Fire and Risk Hazard Analysis is being conducted through out the country by the consulting firm RMSI. The States are requested to project the special hazard areas if any in their States to the company representatives whenever they visit them and also the requirement of equipments for Fire & Emergency Services.</p> <p style="text-align: right;">Action : States</p>
29	<p>Static Tanks</p> <p>Nagaland</p> <p>Construction of water reservoirs in all Fire Stations.</p>	<p>The requirement of water for fire fighting has already been recommended by SFAC. In addition State Fire Service may construct water reservoirs in the fire stations where they feel necessary.</p> <p style="text-align: right;">Action : States</p>
30	<p>Mass Awareness:</p> <p>Daman & Diu</p> <p>The publicity materials i.e. print/electronic media as well as telefilms on the fire safety in various occupancies should be made available for general public. Therefore, the matter may be taken up during the meeting for introduction mass awareness program in better way.</p>	<p>Members may exchange more mass awareness materials. The material send by DGCD (Fire Cell) should be replicated in sufficient quantity.</p> <p style="text-align: right;">Action : States</p>
31	<p>Visit of Advanced Training Centres abroad.</p> <p>Goa</p> <p>Heads of Fire Services along with representatives from DGCD, MHA to visit the Advanced Training Centres of USA/UK</p>	<p>After discussion it was decided to send the teams comprising of Member from State Fire Services and Central Ministries including DGCD/MHA to visit Training Centres of UK/USA.</p> <p style="text-align: right;">Action : DGCD(Fire)</p>

32	<p>Financial Assistance for Test Laboratory.</p> <p>Secretary, IFE(India)</p>	<p>It was informed to the Members that DGCD office has already included the matter for providing financial assistance under Transfer of Technology (TOT) and Research & Development (R&D) facilities. The demand will further include in the future project proposals.</p> <p style="text-align: right;">Action : DGCD (Fire)</p>
33	<p>Equating Grade -I with D.O. Course of NFSC</p> <p>Secretary, IFE(India)</p>	<p>It was informed to the Members that the Sub-committee has already been set up to give recommendations on Education Policy. The IFE should prepare a draft to equate Grade - I and MIE qualifications at par with the other AMIE of Institutions of Engineers which is recognized at par with Bachelor of Engineering.</p> <p style="text-align: right;">Action : IFE (India)</p>
34	<p>Fire Service Oath</p> <p>A Sub-committee was set up in the 32nd SFAC for the Fire Service Oath. The draft of the oath has been received</p>	<p>Members discussed and approved the oath (Appendix "A") with some modifications. DGCD (Fire Cell) will prepare the final oath and circulate the same to all the States in Hindi and English.</p> <p style="text-align: right;">Action : DGCD (Fire Cell)</p>
35	<p>Personnel Safety</p> <p>A Sub-committee was set up in the 32nd SFAC for preparing the standard specification on PPE. The draft specification on PPE has been received.</p>	<p>Members discussed and desired that the draft specification be circulated to all the members with the request to send the comments within a month from the date of issue of the specification.</p> <p style="text-align: right;">Action : DGCD (Fire Cell)</p>
36	<p>Equipments for Highly Radioactive Zone</p> <p>A Sub-committee was set up by 32nd SFAC for suggesting and recommending the life period of Fire appliances. The draft report has been received.</p>	<p>Members discussed and desired that the draft report be circulated to all the members with the request to send the comments within a month from the date of issue of the draft report.</p> <p style="text-align: right;">Action : DGCD (Fire Cell)</p>

PROGRESS OF SUB-COMMITTEES SET UP BY 31ST SFAC

It was informed to the Members that four Sub-committees were constituted by the 31st Standing Fire Advisory Council namely Policy & Legal Committee, Committee for Modernization of Fire Service, Equipment and Organizational Committee and Training Committee headed by Sh. M.V. Deshmukh, Director, Maharashtra Fire Service, Sh. B.G. Changappa, Joint Director, Karnataka Fire &

Emergency Services, Sh. H.S. Rawat, General Manager, Airport Authority of India and Sh. G.C. Mishra, Chief Fire Officer, Delhi Fire Service respectively. The report of the Sub-committee headed by Sh. H.S. Rawat, General Manager, Airport Authority on the subject "Equipment and Organizational Committee" has already been received and adopted in 32nd meeting of Standing Fire Advisory Council. The Chairman desired that the remaining three Sub-committees to expedite their reports at the earliest preferably before 15th September, 2011. Sh. D.K. Shami, Dy. Fire Adviser, DGCD, MHA will act as Member Secretary and meetings will be held in the office of DGCD.

Chairman thanked all the delegates who have attended the 33rd Meeting of Standing Fire Advisory Council and stressed the need to work together to help in the development of Fire & Emergency Services in the country.

The Meeting ended with the vote of thanks by Shri Rajiv, IPS, DG NDRF & CD, Ministry of Home Affairs/ Chairman, Standing Fire Advisory Council.
